Dear Sir or Madam:

The staff of the Air Resources Board (ARB) in coordination with the staff of the California Energy Commission will hold a public consultation meeting to discuss a draft proposed concept to revise the motor vehicle compressed natural gas (CNG) specifications under Title 13, California Code of Regulations, section 2292.5. A copy of the draft proposed concept and agenda are enclosed.

At the meeting we will discuss the need to consider revisions to the CNG specifications and implications that possible revisions may have on motor vehicle performance and durability and impact on air quality. Persons attending this meeting will have the opportunity to comment and provide input into this process.

The time and place of the public consultation meeting are shown below:

Date: Wednesday, August 3, 2005
Time: 10:00 a.m. to 3:00 p.m.
Location: California Environmental Protection Agency
1001 I Street, 2nd Floor
Byron Sher Auditorium
Sacramento, California 95814
